RULES OF RACING

The regatta will operate under the US Rowing Rules of Racing except as altered by ACRA or LOC rules and regulations.

ANNUAL ACRA COACHES MEETING

NOTE: The meeting will have a roll call and cover **ONLY** specific safety instructions and schedule changes. The meeting **WILL NOT** go over the rules of racing, starting procedures, and boat handling advice. Crews are expected to know the rules and how to handle their equipment to attend a championship regatta.

PRACTICE INFORMATION

NO coaching launches are allowed on the water on Friday, May 26. Traffic patterns will be posted at the boathouse. All coaches, coxswains, captains, etc. must read and be familiar with these rules **prior to launching for PRACTICE OR RACING**. Crews must be off the water by 8:00PM Friday. No crews may launch for practice Saturday, unless given specific approval by the ACRA Board of Directors and Chief Referee.

- 2) **SCRATCHES:** The entry deadline is the scratch deadline. All scratches not made online by the deadline must be emailed from the coach's email address to BOTH davismensrowing@gmail.com and butler88@purdue.edu. Scratches after the deadline and before 10:00am Eastern time on Friday May 26 will be assessed a scratch fee of \$50 per scratch and no refund of entry fee. Any scratches after Friday at 10:00am, or any no-shows, will be assessed a \$100 scratch penalty. Any team assessed a scratch fee will not be permitted to participate in the regatta until the fee is paid.
- 3) Late entries may be accepted with a penalty fee of \$50 per entry, plus the entry fee. Late entries will not be accepted without extraordinary circumstances and a majority vote of the ACRA Board of Directors.
- 4) A minimum of three entries is required to run an event. ACRA will attempt to place crews from cancelled events in another appropriate event if possible, and will make every effort to confer with the coaches of affected teams in this process.
- 5) **Waivers** and the **Athlete Eligibility Form** (available at Regatta Central and at www.americancollegerowing.com) also should be mailed to John Ferriss as outlined above, or brought to the regatta registration.
- 6) Entries will only be accepted from programs that have paid the annual membership fee. Membership is available at the "Clubs" link on the Regatta Central site.

- 7) Entries must be made online at Regatta Central (www.regattacentral.com). **Entry deadline is Wednesday May 17, 2017.** Entries must be **COMPLETED** before midnight Eastern time. This is also the deadline for scratches with refunds.
- 8) Only one entry per event is allowed from each program, with the following exceptions:
 - a) Two entries are allowed in the doubles and singles events.
 - b) Multiple entries are allowed in the M2V, W2V, M2N and WN eight events, and if there are enough crews entered a separate event may be added. Note: only the top finisher from a program with multiple entries is eligible for points, but all entries are eligible for medals.
- 9) Doubling of rowing athletes is **not** permitted. A coxswain may compete as a coxswain in more than one event but no scheduling changes will be made to accommodate such doubling, and crews do so at their own risk of schedule conflicts.
- 10) Second Varsity and Second Novice Entries: An organization must enter and race a Varsity boat of the same size, weight, and gender classification of crew in order to enter a Second Varsity boat. A First Novice boat is required for a Second Novice entry.
- 11) Program entries will be accepted from only ONE designated representative. Specifically, this means that if a student who rows a single or double outside of a college's recognized program which is entering crews at the regatta, then that program's designated representative needs to submit the sculling entry for it to be accepted.
- 12) The ACRA Executive Committee will have final discretion regarding entries.

This is an attempt to summarize the main guiding rules of the ACRA and may not include all previous rulings. Except as noted above, all rules will reflect previous ACRA procedures. Special rulings may be invoked by the ACRA Executive Board.

INSTITUTIONAL ELIGIBILITY RULES

Institutional Eligibility:

- 1) All collegiate club rowing programs recognized by their respective universities are eligible for participation in the ACRA Championship Regatta.
- 2) The ACRA membership shall be made up of university and college club rowing teams, and junior college and community college teams (both men and women) that are not eligible through their institutions' athletic department for the NCAA or IRA Championship.
- 3) All programs must meet BOTH the eligibility requirements of their home institutions and the ACRA.
- 4) USRowing Organizational Membership
Because of insurance requirements, the ACRA regatta will be registered with USRowing. **This means that all programs entering MUST be organizational members of USRowing to participate.**

ATHLETE ELIGIBILITY / ENTRY RULES

Eligibility for the ACRA Regatta shall be dependent upon the conference rules of the competing institution, and **ALL OF THE FOLLOWING:**

- 1) All participants must be full time undergraduate students and enrolled at the institution they represent. To be considered a full time undergraduate student, he/she must currently be taking courses totaling at least 12 credit hours on the semester basis or its full time equivalent at that institution, and must be making normal progress toward his/her first degree. An exception is for students in their final term who may take less than a full-time load if it is sufficient to complete their degree during that term. This and other potential exceptions to the 12 credit hour rule must be certified by the Academic Office of the involved institution. A student athlete who has received a Baccalaureate or equivalent degree, and who is enrolled in his or her first year of graduate or professional school of the institution attended as an undergraduate, or who is enrolled and seeking a second Baccalaureate or equivalent degree at the same institution, may participate in ACRA, provided the student athlete has athletic eligibility remaining, and such participation occurs within the time period set forth in number 2 below.
- 2) An ACRA competitor has four years of eligibility, which must be completed during the first 10 semesters or 15 quarters after the student is enrolled in a collegiate institution in at least a minimum full-time program of studies as determined by the regulations of that

institution. Competing for an institution in any one event within the academic year is enough to constitute one year of eligibility.

- 3) Any individual who has raced during the current academic year with a non-ACRA eligible college program will not be eligible for participation in the ACRA Regatta.
- 4) Novice Classification:
 - a) The ACRA defines novices as those in their first year of collegiate competition.
 - b) Coxswain turned rower or rower turned coxswain note: An individual who rows or coxswains competitively in any academic year is allowed to change roles in a subsequent year and compete as a novice.
 - c) Once an individual competes in ANY intercollegiate competition in an academic calendar year, novice eligibility has begun for that season.
- 5) A student athlete who is enrolled in a graduate or professional school of the college or university may participate, provided he/she has eligibility remaining and is within five calendar years of initial full-time collegiate enrollment.
- 6) To compete at the ACRA, each athlete must be listed on the program's roster, and certified by the institution's registrar or program administrator (varsity athletics or rec sports level administrator, NOT the head coach or team officers).

Appeals for exceptions to these rules must be entered in writing to the ACRA Eligibility Committee (Desmond Stahl, (davismensrowing@gmail.com), Calvin Cupp (calvin.cupp@wichita.edu), and Rachel Rawlinson (Rachel.rawlinson@unh.edu)) prior to the entry deadline. Documentation is required for any request to be considered.

Violations of regulations may be cause for crew or team disqualification. Unusually serious violations may be grounds for even more sanctions.

WEIGH-IN RULES AND PROCEDURES

- 1) A men's lightweight crew shall have no rower who weighs more than 160 pounds.
- 2) A women's lightweight crew shall have no rower who weighs more than 130 pounds.
- 3) If any lightweight rower is more than 2 pounds over the maximum weight, that individual will be excluded from competition. If an individual is within 2 pounds of the maximum he/she will have two more tries within one hour of the initial weigh-in to make weight as long as the scales remain open. If the individual fails to make the weight in one hour or the third attempt (whichever occurs first) that individual will be excluded from competition.
- 4) Coxswain minimum weights: Men's Events - 125 pounds, Women's Events - 110 pounds.

- 5) A test scale will be available for unofficial use at 12pm Friday.
- 6) Crews and coxswains will only have to make one weigh-in during the competition. Crews must weigh in together in racing attire (shirt & shorts or unisuit). **Crews and coxswains must present a picture ID in order to weigh in.**
- 7) Crew weigh-ins for events competing on Saturday are Friday 4pm-7pm. There will be an early morning weigh-in for crews who missed Friday from 7am-9am on Saturday. If there is a final only on Sunday, the participants must weigh-in Saturday 5pm-6pm.
- 8) Up to 5 pounds of sand will be available for coxswains. If an individual requires more he/she will be responsible for providing the extra weight.

SEEDING AND PROGRESSION SYSTEMS

The ACRA progression system will be posted on the web site:

www.americancollegiaterowing.com

SEEDED EVENTS

Events: MV8, M2V8, MFN8, M2FN8, WV8, W2V8, WFN8. SEEDING PROCESS

1. The vote is to be placed by the head coach of each program entered in the event, and not one of the assistants or team officers.
2. Voting will be conducted either by email or online a week prior to the championship, and initial votes will be viewed by all the head coaches.
3. The head coach **MUST** vote for his/her own crew in the poll.
4. Coaches may change their votes within two days of the closing.
5. After the second day, all voting is final.
6. At this point all votes **WILL BE MADE PUBLIC.**
7. Seeded crews will be sorted into heats according to the poll results. **EVERY CREW WILL BE GIVEN A SEED.**

SORTED EVENTS

Events: MV4+, MLt4+, MFN4+, MNLt4+, WV4+, WLt4+, WFN4+

This is an attempt to separate crews who have remained intact through the racing season and performed well at a major regatta. The goal is to create regional and competitive diversity in the heats.

This will be a responsibility of the Regatta Director, and two other designated members of the Championship sub-committee. Finalization of the sub-committee's recommended placements will be made by the Executive Board.

This is not an attempt to place every entered crew. Results will be considered **PRIMARILY** from the Dad Vail, ECAC-NIRC, and WIRA, with consideration given to SIRA, Indianapolis Invite, NY States,

New England Championships, PCRC, and Knecht Cup, with a goal of splitting up crews who competed against each other in the Grand Finals at those events. It is also to prevent the winners of those events from being “stacked” into the same heat. The remainder of the field will be determined by random draw.

The ACRA progression system will be used, with a random draw of lanes after the heats have been determined. Sorted crews will not be assigned to certain lanes.

TIME-TRIALED EVENTS

For any event with more than 32 entries, a time trial will be used as the initial stage. An initial starting order will be determined by using the same system as SORTED crews, trying to make an effort to place known fast crews to the front. Other crews will be randomly placed behind them.

The time trial will be conducted using two or three lanes. The repechages and semifinals will be sorted based on the results of the time trial. See the progression system as posted on the ACRA website.

CANCELLATION POLICIES

Every effort will be made to retain all events, but in the case of persistent weather some events may require cancellation. The cancellations will occur in the following order:

- 1) Lunch breaks
- 2) All 3rd Level Finals and below
- 3) All Petite Finals
- 4) Finals with fewer than a full field (8 entries at Gainesville)
- 5) All small boats (2-,2X, 1x)
- 6) Novice and Lightweight 4's, Quads
- 7) Novice 8's
- 8) JV8's and Varsity 4's
- 9) Varsity 8's

Please note the racing format: Time Trials, Heats, and Repechages will be raced on Saturday with Finals on Sunday, except in the larger fields which require four races. In those cases the Semifinals and Finals will take place on Sunday.

Should conditions dictate, the Fairness Commission, composed of the ACRA Executive Board and the Chief Referee or his/her designated representative, will have the authority to reassign lanes to prevent a disadvantage for higher seeded crews.

One of two progression alternatives will be chosen at random at the conclusion of each set of heats to place crews into semifinals.
